Can you believe August is here? For much of the country, it's the hottest month of the year, making it easy to stay inside and enjoy the air conditioning. This also makes it the perfect time to get some of those bigger interior home maintenance tasks done.

- ✓ Deep Clean Your Floors - Consider how much you've gone in and out of your house this season. Fun outside means dirt and dust tracked inside. Without regular deep floor and carpet cleaning, family members are at risk of allergies.

- ✓ Upgrade Your Locks - With so many people leaving on vacation or small weekend getaways this summer, security is important to pay attention to. Upgrading your locks now to a smart home lock system can also save money on your homeowner's insurance.
- ✓ Inspect Your Roof - Now is the time to check your roof for damage and get any repairs that are needed. Broken shingles, damaged roof flashing and rust are just a few signs that your roof needs a repair
- ✓ Maintain Your Furnace - Another way to prepare for the end of the warm weather is to make sure your furnace is in working condition

IN THE

First General was the proud key sponsor of the July 6<sup>th</sup>-7<sup>th</sup> Wilkes-Barre Township Giant's Despair Hillclimb Music Festival!

- Never operate a barbecue in an enclosed space or in close proximity to a structure or wall
- Ensure your barbecue is secure and can't topple over
- Keep the barbecue lid open when starting or shutting it down
- Keep a fire extinguisher handy
- Keep children away from the barbecue at all

**ANNOUNCEMENT** 

On Wednesday, August 15<sup>th</sup>, First General will have a **HUGE CONTEST** running on our Facebook page! Stay tuned for additional details and be sure to LIKE our page @ FGS of NEPA
