CANDLE SAFETY

CANDLE FIRES COST \$374 MILLION EACH YEAR IN PROPERTY DAMAGE AND INJURE OR KILL MORE THAN 800 PEOPLE EACH YEAR. DON'T BE THE PERSON WHO CELEBRATES VALENTINE'S DAY IN THE EMERGENCY ROOM!

FIRST GENERAL SUGGESTS THE FOLLOWING SAFETY TIPS WHEN USING CANDLES:

- PLACE CANDLES ON STURDY NONCOMBUSTIBLE CANDLE HOLDERS AND PROTECT THE FLAME WITH A GLASS GLOBE OR NONCOMBUSTIBLE CONTAINER.
- KEEP CANDLES AWAY FROM WINDOWS AND SHOWER CURTAINS
- DO NOT PLACE THEM UNDER CABINETS OR LAMP SHADES.
- DO NOT PUT THEM IN PLACES THEY CAN TIP OVER SUCH AS NIGHT STANDS, HIGH TRAFFIC AREAS OR ON/NEAR STAIR CASES

FEBRUARY HOME MAINTENANCE AND SAFETY CHECKLIST

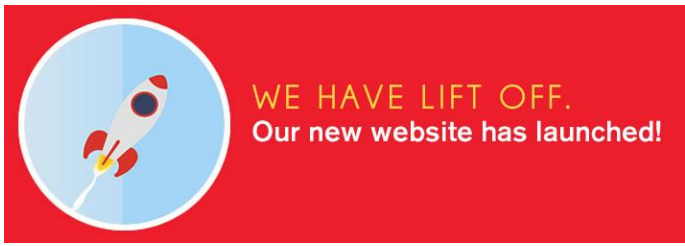

While focusing on Valentine's Day and the doldrums of winter, don't forget to do something special for your home this month—check it for safety!

1. Familiarize yourself with electric and water shut-off valves
2. Vacuum and dust your HVAC system
3. Clean lint from the dryer exhaust duct
4. Test and reset all ground fault circuit interrupter receptacles and check all extension cords
5. Check foundation for damage
6. Check for ice dams and icicles
7. Test CO and smoke detectors and replace the batteries

ICE DAM & ROOF ICE
