### To-Dos: Your May Home Checklist

Get your house and yard in order now, and you'll be ready to enjoy the summer days ahead!

- ✓ **Check outdoor lighting**-Make sure all outdoor lights are in working order- porch lights, landscape lighting and motion-sensing security lights. Replace bulbs or schedule repairs as needed

- ✓ **Inspect kitchen and bath fixtures**- Keeping an eye on these areas can help prevent costly water damage and repairs later on. Make a plan to regROUT or recaulk around counters and tile as needed.

- ✓ **Check safety devices**-According to the **U.S. Fire Administration**, smoke alarms should be tested at least once a month and replaced every 10 years — even if they still appear to be in working order. Test smoke detectors and carbon monoxide detectors; replace batteries as needed

IN THE

Thank you for everyone who partnered with First General and donated to Blue Chip Animal Refuge! The donations will be delivered later this month.

**Sunday, May 13 is Mother's Day!**

**Mother's Day** is a celebration honoring the mother of the family, as well as motherhood, maternal bonds, and the influence of mothers in society. From the team at First General, we would like to wish all the wonderful moms a very happy Mother's Day!

Thursday, May 3, 2018

Thank you Insurance Agents who joined us for our Personal Auto CISR Continuing Education Class. We had a great day!
