

CALL US FIRST FOR PROMPT EMERGENCY SERVICE  
570-824-0680

31 Ruddle Street Wilkes-Barre

As the ninth month of the year, September marks the beginning of autumn in the northern hemisphere. Traditionally considered the month that marks transitions between seasons, it is often one of the most temperate weather-wise.

First General is your **FIRST CALL** for emergency service!

Fire Damage Restoration

Smoke & Odor Removal

Water Mitigation

Wind & Storm Damage Cleanup

Mold Testing & Remediation

With summer retreating and seasons changing, September's home improvement chores focus on getting your home ready for the cooler weather ahead.

✓ **Replace Weather Stripping**-You probably won't notice a drafty door until the weather becomes cold. But if you wait until then to replace mangled weather stripping, your fingers are likely to become numb in the process. So set aside a pleasant September day to do the job

✓ **Tune up your heating system**-Don't wait until you need to turn up the heat to schedule routine maintenance.

The good pros will all be too busy then. Now's the time to arrange for a yearly tune up of an oil or gas furnace. If you burn wood, schedule a chimney cleaning. If you have electric baseboard or wall heaters, vacuum out any lint and wipe down the grills

✓ **Sweep the chimney**-When temperatures finally fall, you'll want to be ready to light your fireplace. But before your first toasty blaze of the season, make sure your chimney has been cleaned.

IN THE

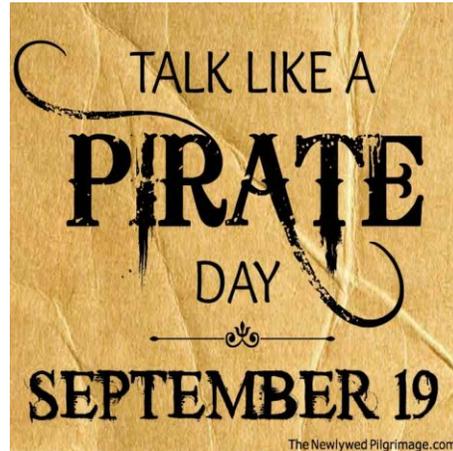

Our August Facebook Contest Winner was Mr. Robert Kosco from Allstate in Nanticoke!

**Congratulations!**

**FUN FACT!**

**WE NEED YOUR HELP!**

**FLYING High For a Cause**  
Saturday, September 22, 2018  
12:00pm – 5:00pm

Wilkes-Barre Wyoming Valley Airport  
2001 Wyoming Ave, Forty Fort, PA 18704
