As we enter November, the last full month of autumn, we see the days become shorter as we exit Daylight Saving Time, temperatures become colder, and holiday preparation swings into full force.

Daylight Saving Time Ends Sunday, November 4

Don't forget, it's time to Fall Back and turn our clocks back 1 hour at 2AM Sunday morning.

To-Dos: Your November Home Checklist

- ✓ **Purchase Snow Removal Equipment-** This is a great time to stock up on de-icers, shovels and other snow and ice equipment. If you regularly use a snow blower, be sure you have it serviced before the snow falls
- ✓ **Clean Your Gutters-**November brings downed leaves, needles and branches which can quickly clog your gutters and downspouts. Protect your roof and foundation by having clear gutter drains
- ✓ **Clean Dryer Vents & Duct Systems-** Thoroughly blowing out the dryer duct system is important to help make your appliance function better as well as reduce the risk of dryer fires
- ✓ **Test Smoke Alarms-**Thanksgiving turkey dinners and distraction from entertaining guests mean more accidental cooking fires. Add to this the assortment of unattended candles and fires in the fireplace and you have a recipe for danger. Stock up on fire extinguishers and check the batteries in your alarms.

FUN FACT!

NO SHAVE NOVEMBER

No-Shave November is a month-long journey during which participants forgo shaving and grooming in order to evoke conversation and raise cancer awareness. So put down your razor for 30 days and donate your monthly hair-maintenance expenses to the cause!

On Sunday, November 11 we celebrate Veteran's Day. Remember to thank a Veteran for their service!

From the team at First General, we would like to wish everyone a very Happy Thanksgiving!
